Good afternoon KC Performance Music!

1. There are no rehearsals this week. Our next required full function is Tuesday, January 13<sup>th</sup>.
2. Attached and below is information about the winter break, as well as spring semester dates (Jazz Ensemble will receive a separate email soon.).
3. If you didn't get a chance to pick up that information document, or sheet music in the loading dock, it was there but I know the concert was busy. You can print your copy using the following link:

## **2025 Winter Session Details**

Musicians,

Regular rehearsals resume: Tuesday, January 13<sup>th</sup>. Remember, our rosters “roll over” which means unless we hear from you, we expect to see you then! Please do check on your Handbook regarding Voluntary Abandonment and don't “burn bridges!”

### **Your Responsibilities Over The Winter Break:**

—

I. INDIVIDUAL PRACTICE: We do not come back to KC ensembles having not individually practiced over break.

- a. Symphonic Band: Work on the newly handed out *Holst and*
- b. Jazz Ensemble and Vocal Ensembles: I will email you 2 charts next week, as well as some additional dates for the spring.

II. RECRUIT: We are always looking for new instrumentalists and singers; starting “fresh” in the spring semester is a great time to add personnel!

- a. Specific needs (all instruments and voices are welcome, but we specifically need the following):

- i. Double reeds, tenor sax for Symphonic Band,
- ii. Tenor sax for jazz ensemble
- iii. All voice parts!

III. NOTIFY: If you have any issues with scheduling of spring classes, occupation schedules, etc. please notify the Director of Bands as soon as possible so that we might find a solution and keep you in the ensembles.

Our program functions in a 100% voluntary capacity over Winter Break. If you want to take these FIVE weeks off and just take a step away, coming back fresh and excited on January 13<sup>th</sup>, GREAT! But, if you'd like any of the following, I am a full time employee and will happily work with you!

1. Individual lessons
2. Practice time in Brooks practice rooms
3. Small ensemble rehearsal / support / \$\$ for sheet music
4. Any independent study (conducting / composition / theory)
