KC Performance Music Musicians,

How are you? We had a solid start to the spring of 2026, but please keep in mind that the literature this semester will be of a heightened difficulty level. I know you will rise to this demand and create amazing music...together. That said, it may require a bit more independent practice time.

Attached is your Spring 2026 Handbook. Please take time to read it over.

1. On Monday, you will receive instructions on how to electronically sign the document. You can also sign a paper copy on Tuesday at rehearsals.
2. NEW MEMBERS, your video explanation is coming, and will be to you by Monday, as well.

Symphonic Band Rehearsal Schedule for 1/20/26:

1. Holst Mvt. I.
 - a. I underestimated the difficulty the time signature posed to some of you. I will have a lesson plan ready to help.
 - b. PLEASE listen to this recording, movement 1 especially. If you study it, you will have a MUCH easier time on Tuesday!

2. Carter – ALL – make sure to review technical passages.
3. Galante (Falls) m. 1 – 45.

Best wishes – I hope to have some resources and educational tools / links to you by the weekend!

- Mr. Tylutki
